DECLARATION OF ANTONIO HALLAK

MESSAGE FROM STEFAN QIN

Stefan Qin 11:16

Antonio - I think I have a deadline by 12pm EST today

If I am unable to see the progress on the funds, etc I will be asserting my ownership of the firm and taking control. As you know I would like to do everything possible to protect us - and even though this will ultimately benefit me as well, the fate of the firm is intricately tied to this situation
